## "We Don't Promise"—

We don't promise the "world"—or anything else we can't make good on. It has got to be a habit with us to stick to facts and let fiction strictly alone. We've found that the best way to create and retain confidence is to tell what we know, plainly and simply. Then—leave it up to you—the buyer—to find the true worth behind our modest statements. We are making a success of business on that basis. Our trade are making a success of their buying.

By the way—we'll be glad to see you and you'll be glad you saw us. Drop in today.

**Open Your Eyes—**

**Bradley & Vrooman PAINT**

This paint needs no introduction. Its story is all around you. On houses, barns, buildings, floors, walls—everywhere in this community you'll find Bradley & Vrooman Paint telling its story of quality and worth by the way it weathers, and the way it looks and the way it satisfies.
